

VIDHYASAGAR KUMAR

.NET Developer | ASP.NET Core | Web API | SQL Server | MVC
Email: kumarvidhya005@gmail.com | Phone: +91 8178924894
Location: Noida, Uttar Pradesh, India

Professional Summary

Results-driven .NET Developer with 3.9+ years of experience in designing, developing, and maintaining scalable web applications and RESTful APIs using C#, ASP.NET Core, ASP.NET MVC, Entity Framework Core, SQL Server, and Azure. Skilled in Clean Architecture, SOLID principles, Dependency Injection, authentication/authorization, payment gateway integration, database optimization, and cloud deployment. Experienced in Agile development environments and delivering enterprise-grade solutions.

Technical Skills

Languages: C#, SQL, JavaScript

Frameworks: ASP.NET Core, ASP.NET MVC, Web API, Entity Framework Core, LINQ, ADO.NET

Frontend: HTML5, CSS3, Bootstrap, jQuery, AJAX

Database: SQL Server, Stored Procedures, Query Optimization

Architecture: Clean Architecture, Repository Pattern, Dependency Injection, SOLID Principles

Tools: Git, GitHub, Visual Studio, Swagger, Postman

Professional Experience

Software Developer | Cordova Learning Solutions | 2022 – Present

- Developed and maintained enterprise-level ASP.NET Core MVC and Web API applications.
- Designed and implemented RESTful APIs consumed by Web, Android, and iOS applications.
- Implemented JWT Authentication and Role-Based Authorization.
- Optimized SQL queries, stored procedures, and database performance.
- Integrated third-party APIs and payment gateways.
- Participated in complete SDLC including requirement analysis, development, testing, deployment, and support.

- Collaborated within Agile/Scrum teams to deliver high-quality software solutions.

Key Projects

Creative Kids Solutions

- Developed backend APIs for Android, iOS, and Web applications.
- Implemented authentication and authorization modules.
- Built assignment, assessment, and content management features.
- Optimized database structures and SQL queries.
- Deployed and maintained applications on Azure.

Al Muna Bookshop (Dubai)

- Developed e-commerce modules including product catalog and order management.
- Integrated Magnati Payment Gateway for secure AED transactions.
- Implemented shopping cart and checkout workflows.
- Enhanced product search and database performance.

Cordova Payroll CRM

- Developed payroll, attendance, and leave management modules.
- Built reporting dashboards and management features.
- Implemented role-based access control and security.

Cordova Joyful Learning

- Developed e-learning and e-commerce modules for educational products.
- Implemented Add to Cart, product calculation, and order management features.
- Integrated Payment Gateway and Token Generation functionality.
- Developed APIs and optimized database performance.

School LMS

- Developed RESTful APIs using ASP.NET Core Web API.
- Built Student, Teacher, Attendance, Assessment, and Content Management modules.
- Implemented JWT Authentication and Role-Based Authorization.
- Optimized SQL Server database structures and queries.

Key Achievements

- Delivered multiple production-ready enterprise applications.
- Developed APIs consumed across Web, Android, and iOS platforms.
- Successfully integrated payment gateway solutions.
- Improved application performance through SQL optimization and efficient architecture.
